

GORANTLA VENKATA SRAVAN

Full Stack Developer

📍 Andhra Pradesh, India 📞 +91 9948872530 ✉️ sravangorantla99@gmail.com 🔗 [linkedin.com/in/sravan-gorantla-604868371](https://www.linkedin.com/in/sravan-gorantla-604868371)

OBJECTIVE

- Motivated B.Tech undergraduate specializing in Full Stack Development, with hands-on experience building web applications using React, Node.js, Express, and MongoDB. Seeking an internship to apply full stack skills and deliver impactful, scalable web solutions.

EDUCATION

Bachelor of Technology (B.Tech) *2023 – Present (Expected 2027)*
Sasi Institute of Technology and Engineering, Tadepalligudem, Andhra Pradesh

Intermediate *2021 – 2023*
Arka Junior College, Guntur, Andhra Pradesh

- Percentage: 94.9%

Secondary (SSC) *2021*
Universal High School, Pusapadu, Andhra Pradesh

- Percentage: 10 CGPA

TECHNICAL SKILLS

- Frontend: HTML5, CSS3, JavaScript (ES6+), React.js, Bootstrap, Responsive Design
- Backend: Node.js, Express.js, REST API Development
- Database: MongoDB, SQL, Mongoose ODM
- Tools & Platforms: Git, GitHub, VS Code, Postman
- Programming Languages: Python, JavaScript
- CS Fundamentals: Data Structures, DBMS, Operating Systems, Computer Networks

PROJECTS

Expense Tracker – Full Stack Web Application *January 2026 – February 2026*

- Built a full stack expense tracking application with React.js frontend and Node.js/Express.js backend.
- Designed and integrated RESTful APIs for CRUD operations on expense records, connected to MongoDB for persistent data storage.
- Implemented features including category-wise filtering, monthly summaries, and data visualization using charts.
- Handled user authentication and session management using JWT (JSON Web Tokens).
- Deployed and tested API endpoints using Postman; managed source code with Git and GitHub.

Restaurant Login Page – Frontend Project

- Created a fully responsive Restaurant Login Page using HTML5, CSS3, and JavaScript.
- Designed an elegant, mobile-friendly UI with custom styling, form validation, and interactive elements.
- Applied modern CSS techniques including flexbox, animations, and media queries for cross-device compatibility.
- Focused on UX best practices including clear error messages, accessible form fields, and smooth navigation flow.

WORK EXPERIENCE

AI/ML Intern – Skill Dzure *May 2025 – June 2025*

- Designed and developed an AI Diet Recommender System that generates personalized meal plans using Python-based ML workflows.
- Built an AI Language Translator supporting multi-language text translation using NLP techniques.
- Implemented complete AI/ML workflows including data preprocessing, feature engineering, and output generation using Python libraries.

CERTIFICATIONS

- Artificial Intelligence – Short-term Internship programme provided by SkillDzire (May 2025 – June 2025).
- Python Certification – Core Python programming, data structures, and scripting.
- UI/UX Certification – Fundamentals of user interface and user experience design.
- Microsoft Excel Certification – Data analysis, formulas, pivot tables, and dashboard creation.

SOFT SKILLS

- Collaboration | Communication | Teamwork | Time Management | Leadership | Problem Solving

STRENGTHS

- Strong analytical and problem-solving skills with a full stack development mindset
- Ability to work in a team and deliver end-to-end web solutions
- Hard working, detail-oriented, and responsible for ownership of work

DECLARATION

I hereby declare that the above information is true and correct to the best of my knowledge and belief.
